WELLSPRINGS PRIMARY SCHOOL SAFEGUARDING STATEMENT

Wellsprings Primary School is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment.

We have a number of policies and procedures in place that contribute to our safeguarding commitment, including our **Child Protection Policy** which can be viewed in the policies section on our website. (Visit our **Policies and Procedures** section on our website).

*Safeguarding children and young people is **everyone's** responsibility.*

Sometimes we may need to share information and work in partnership with other agencies, when there are concerns about a child's welfare. We will ensure that our concerns about our pupils are discussed with parents/carers first, **unless we (or supporting agencies) have reason to believe that such a move would be contrary to the child's welfare.**

We actively support the Government's **Prevent Agenda** to counter radicalism and extremism.

Who has responsibility for specific safeguarding roles at Wellsprings?

Our Designated Safeguarding Lead is **Mark Lunn** (Headteacher).

The Governor with responsibility for safeguarding in our school in **Jasmine Wark**

Our Deputy Designated Safeguarding Leads:

Our *Inclusion Lead*, **Jane Holcombe**, has completed Level 2 Safeguarding training.

Our *EYFS Lead*, **Catherine Lang**, has had additional Safeguarding training, specific to the EYFS setting.

Nicky Hatton, our *Parent Family Support Advisor*, is also Level 2 Safeguarding trained.
