Key Stage 1 and 2 playgrounds

We have had to change plans many times over the last few weeks in regard to the playground line markings. Thank you for your patience.

At last, the Key Stage 1 playground now has its line markings complete. We were initially told that it would take two hours to dry. Unfortunately on visiting, the contractors told us it would need a whole day, mainly because the surface is 'new' tarmac. Apologies for the change of plan today, for KS1 parents/carers.

Mr Lunn is in on Monday next week, with the contractors, and then the Key Stage 2 will also be done. Fingers crossed!

Christmas Performances

Well done to staff and children who put on some excellent Christmas productions. We were bowled over by the turnout, with some of the biggest audiences we have seen for a very long time.

All the performances went really well, and the children really enjoyed the generous support of all the family members in the audience.

Staff and children did an amazing job perfecting their productions in such a tight timeframe- they were 'pitch-perfect' performances.

We appreciate all the support from home during the Christmas period, with special thanks to our PTA who hosted a great deal of the events, including a Bingo night which raised £750.

What a brilliant way to end 2023!
