## An update on Covid arrangements

I am sure you are aware that COVID restrictions have been lifted by the government recently. At present, Somerset LA have not changed their guidance to schools in terms of COVID restrictions, as Somerset (and the South West) are seeing an increase in COVID cases in primary and secondary schools.

However, outdoor events and after school clubs will be reinstated and parents/carers have been made aware that these clubs will start again within the foreseeable future.

Please wait to have the club organizer to CONFIRM the start date before assuming your child will be attending.

## Netball club

Netball Club will be restarting on Monday 31st January, from 3.15 to 4.15. If your child played last term you need not complete a permission form.

However, if your child no longer wishes to play in the club, please let us know so we can offer the space to another child.

Please could we ask that parents/carers ensure their children remain in the designated collection points at the beginning and end of the day. Thank you for your support.

## Reflective Bands

We're very grateful to Summerfield Homes for their generous donation of reflective bands for all the children in the school. We hope that during these dark evenings they help to keep the children safe when out and about.

## Anti-social behaviour

We have been made aware of a recent incident near to the shops in Priorswood; please be vigilant if your children are out unsupervised.

### Netflix Parental Controls

Many families use Netflix as one of their main sources of viewing, with adults and children enjoying the choices available and being able to watch what you want, when you want.

The next newsletter is on Friday 18<sup>th</sup> February 2022

For parents and carers, it's vital to supervise what our children are watching and use the settings available to reduce the risk of them coming across inappropriate or upsetting content.

Netflix has its own guide to using Parental Controls at:
