Welcome back!

HAPPY NEW YEAR! We hope you managed to dodge the 'sickbugs' going around over the Christmas break. It is lovely having the children (and parents/carers) back in this week- a fantastic start to the term. **Thank you all!**

Parent/carer consultations

We hope to use ParentMail to help us book the timeslots available for future parent/carer meetings. We will confirm the arrangements for this in the next newsletter.

Crimestoppers

We are thrilled to be involved in a highly-praised education programme based in the South West. 'Unique Voice' is a community-based programme commissioned by *Crimestoppers* for Bristol and the South West. It targets Year 5 pupils, using drama and creative workshops to raise awareness around **how young people keep themselves, and others, safe in our communities.**

There are weekly sessions led by professionally trained staff, based in school for six weeks. The ideas from these initial sessions are pulled together for a collective performance from each school involved, at the Tacci Morris centre later in the Spring term. Ten children from each school will be chosen to represent the school at this final show, although videos, photos and other contributions from all children are also shared at the performance.

The feedback from the programme has been exceptionally positive as it pulls communities together (across Taunton), and raises awareness around how we keep safe in and out of school. Please visit their website for more information: <https://uniquevoice.org/early-intervention-commissioning/what-would-you-do/>

Next newsletter is on Friday 20th January 2023.

KS2 playground

The children have LOVED having the new playground equipment this week, especially now everything has settled following the installation. I know the equipment has been popular at all times of the day, not least after school. During the school day, we have had to carefully manage the use of the equipment, being so wet and muddy at present, but this seems to have gone to plan so far. 😊
