

Wellsprings Primary School

Primary PE Sports Grant 2021-22

What is the PE and sport funding?

The government is continuing to provide additional funding in order to develop provision of physical education and sport in primary schools.

In order to find out more you can visit: <https://www.gov.uk/government/policies/getting-more-people-playing-sport/supportingpages/school-pe-and-sport-funding>

How will we invest this at Wellsprings Primary School?

At our school we have developed a provision plan to ensure this funding is invested (rather than 'spent') to maximise the long term impact of our PE provision for pupils and staff.

Ofsted inspection guidance lists the following factors to take into account:

1. The increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics
2. The increase and success in competitive school sports
3. How much more inclusive the physical education curriculum has become
4. The growth in the range of traditional and alternative sporting activities
5. The improvement in partnership work on physical education with other schools and other local partners
6. Links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills
7. The greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health
